Carving Tools*

The Scraper Scoop™

quickly cleans out seeds and strings and thins the walls of thick pumpkins. This makes carving easier, cleaner and faster.

The Safety Saw

is for cutting the lid and carving simple designs.

The Medium Saw

features a soft-grip handle for comfortable carving. It saws easily through the pumpkin and is for general and intricate carving.

The Detail Saw

is for carving the finest details

The Drill

makes perfectly round circles.

Poker • Super Poker™ • Pounce Wheel

These tools transfer the pattern to your pumpkin.
